Attendance at Nursery

Good attendance in Nursery and in school is a national priority. Children should attend for all of their allocated sessions unless they are too unwell to do so.

Attendance and punctuality will continue to be tracked. We know that you understand the importance of good nursery school attendance, therefore where attendance falls below expected levels we will offer you pastoral support to help get this back on track. **Please view our attendance policy on the school website.**

Extended leave – Only in exceptional cases will this be authorised by the head teacher. You will need to make an appointment with the head teacher to discuss any potential extended leave for your child.

School Fund

Some payments are still outstanding, please pay at the office as soon as possible. Your contributions enable our nursery to provide snacks, books/bookbags, parties, entertainers and party food/gifts, baking ingredients/resources, sensory sessions, subsidised trips and many more activities.

Please pay at the school office.

Birthdays

If you would like to bring in a treat to celebrate your child's birthday, please ensure this is fruit as sweets/cake etc will be sent back home. This is to promote healthy eating.

Applying for a school place

You will have already received an email from Nursery if your child is starting school in September 2027. It is **very important** that you ensure you have applied for your child's school place by the **15th January**. Staff will ask you which schools you have applied for.

If you have not yet applied, please do so here – <https://schooladmissions.lancashire.gov.uk/prefs.php>

A late application may result in you not getting your child's first choice.

Children finish Nursery for half term on Friday 23rd October (after session) and will return on Monday 2nd November.

We hope you have found this information useful. Please keep checking our website (www.bradleynursery.co.uk) for the most up to date information. We will also send you useful information via email or text.
